O R D E R

On October 19, 1992, the Commission established this proceeding to investigate the reasonableness of the Percent Interstate Usage ("PIU") tariffs of BellSouth Telecommunications, Inc., d/b/a South Central Bell Telephone Company ("South Central Bell"). South Central Bell filed its response to the Commission's Order on November 18, 1992.

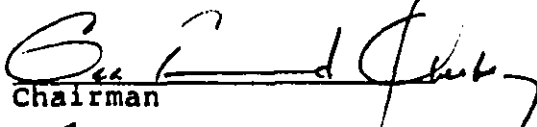

An informal conference was held on February 24, 1993 for the purpose of providing South Central Bell an opportunity to explain the proposed changes to its PIU tariffs. At the informal conference, South Central Bell advised Commission Staff of its intention to mirror the interstate tariff regarding PIU that was approved by the Federal Communications Commission on February 23, 1993. South Central Bell further agreed to withdraw its December 1, 1992 proposed tariff and to file a new tariff that mirrored the interstate tariff. On March 3, 1993, South Central Bell filed its new tariff and requested that the December 1, 1992 filing be withdrawn.

Subsequently, on March 4, 1993, South Central Bell filed a motion to dismiss this proceeding based on its March 3, 1993 filing of the new tariff that mirrors the interstate tariff. After considering the motion and being otherwise sufficiently advised, the Commission finds that good cause exists to grant South Central Bell's motion.

IT IS THEREFORE ORDERED that South Central Bell's motion is granted and this case is dismissed.

Done at Frankfort, Kentucky, this 26th day of March, 1993.
